40-page stapled booklet, over 70 illustrations, centre-spread map.

ISBN: 978-1-9161504-2-3.

Our new guidebook replaces our original Falkland Guide, first published in 1988 and reprinted many times since. It's now in full colour and expanded to 40 pages, with a striking new design by Elizabeth Jackson and completely rewritten text by Ross Burgess. The number of highlighted buildings has been nearly doubled, from 24 to 47, and there's a new section of "Further Afield" attractions.

Tom Addyman in his review says: "This new edition of The Falkland Society's Guide to Falkland is most welcome. It is not simply a revision but a completely fresh evocation of the extraordinary wealth of special and listed buildings within Falkland and in the surrounding Falkland Estate ... engagingly informative, highly accessible and beautifully illustrated."
